HEADQUARTERS FOR

Everything Known in Pansies

CROP 1908

In 1876 (32 years ago) we began making a specialty of florists' seeds. The demand for pansy seed increased to such an extent that in 1892 we commenced issuing a special pansy price list. We were then listing more varieties than any other house at home or abroad, and each year we have added the novelties as introduced until to-day we have "Everything known in Pansies," and surpass the largest seed houses, both as to quality and variety, because our seeds are grown by some twenty-five pansy specialists on special pansy soils. They are the best that money can produce and therefore should not be compared with cheap imported seed from continental dealers. The best is the cheapest to plant.

Grand Pansy Headquarters

We furnish many thousand Florists with their entire supply of Pansy and other Seeds every year, with perfect satisfaction. To those who have never planted our seeds we suggest that they take advantage of this

SPECIAL FEATURE

which we inaugurated in 1892, and fill out the blank on opposite side and receive our

Grand Pansy Introduction Collection No. 2736

for 1908 revised to date. It comprises one regular packet each of 125 seeds (in all 6,875 seeds), of the fifty-five kinds and strains enumerated in Section 2, pages 2 and 3 Special Pansy Price List for 1908. The actual value of this collection of fifty-five packets is \$3.60. Our special price is only \$1.75 prepaid. This is the finest collection of Pansy seeds ever offered. Many who grow their own seeds order this collection year after year from which to grow the stock plants. Pansy plant growers plant largely of our strains, as the stock always sells. We invite comparative and competitive trials.

SPECIAL BLENDS OF CLOVENA PANSIES

Our seeds are grown and saved in separate colors and strains, and blended after harvest by set formulas, thus securing uniform mixtures that can be depended upon. This season we have improved each blend by adding new colors and markings.

2724 Giant Golden, Dark Centre—See Section 2

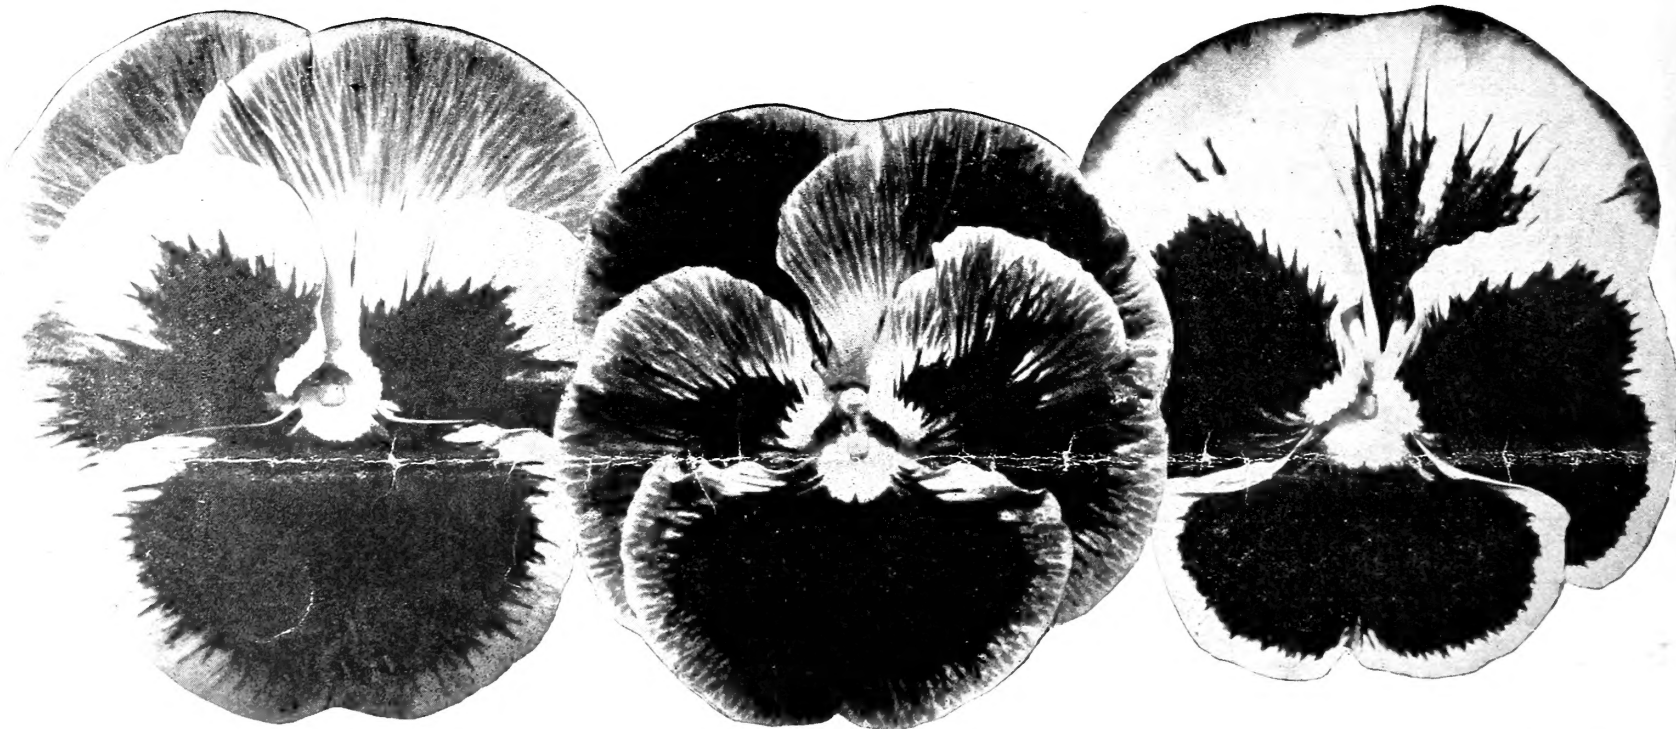

Giant Canary Bird—See Section 1

2632. NEW YORK GIANT MARKET BLEND.—A mixture of robust, hardy, free flowering giants of fine colors, with a good percentage of yellow, blotched and light grounds so popular and in great demand around New York City. While this blend will not produce the variety of color, and flowers of as great substance as our New York Fancy Show Blend No. 2710, it is a very fine mixture for florists who need a first-class stock at moderate price. Price of seed prepaid, packet of 125 seeds, 7c. Trade packet, 2,000 seeds, 50c. Trade packet, 5,000 seeds, \$1.00. Ounce, \$2.50.

Types of Bloom Found in 2709. New Buttercup Blend. —This is an extra mixture of yellow and golden flowering kinds. We guarantee that every plant will produce flowers with yellow or gold in them—from solid yellow in different shades to spotted, marbled, blotched and banded flowers in fire and gold. Price of seed prepaid, packet of 125 seeds, 8c. Trade packet, 2,000 seeds, 60c. Trade packet, 5,000 seeds, \$1.20. Ounce, \$3.

2710. NEW YORK IMPROVED FANCY SHOW BLEND. —Illustrations and descriptions see inside first cover.

2699a Giant Cassier Bridesmaid—See Sec. 2 **2703 Bugnots' Superb Giants**—See Sec. 4 **2700 Cassier Giant Blotched**—See Sec. 4

Types of Bloom Found In 2737. Prize Medal Blend.—We offer this mixture for strictly fancy exhibition stock. It is made up from seed saved from named prize awarded plants of rare blotched kinds, penciled and marked in greatest perfection, so desirable, yet so difficult to develop. It does not contain any selves or as great a variety of color as our Fancy Show Blend No. 2710, and is not intended for ordinary bedding or florists' sale stock, except those who have a critical trade and

can get the proper prices. With ordinary care or with the masses, it will be a disappointment, but under special cultivation, mammoth round flowers of surpassing substance and quality will be produced. Packet, 125 seeds, 30c. Trade packet, 2,000 seeds, \$2.40. Trade packet, 5,000 seeds, \$4.80. Ounce, \$12.00. Strong plants, 100, 80c.; 1,000, \$6.00; 2,000, \$10.00.
